Fax: 1-888-509-5977

Email: orders@autoserviceproducts.com

Website: www.autoserviceproducts.com

Thank you for your interest in Automotive Service Products. We are your full-service wholesale supplier and trade print manufacturer exclusively serving select Distributors! Our goal is to give you the tools you need to increase your business by providing a complete line of high quality, competitively priced products. We pride ourselves on great customer service and timely delivery.

ASP offers over 2600 products in-stock at our warehouse and available to ship immediately. These products can be viewed in our 168 page catalog or on our website at www.autoserviceproducts.com. The items are broken down into the following categories: Sales, Office, Parts, Service, and Body Shop.

Allow our team of custom order specialists to help you handle every aspect of custom work. We manufacture in-house using computer to plate pre-press, sheet-fed and web printing from one to six colors, 4 color process and spot colors, and full bindery capabilities.

Please complete the below Distributor Application. ASP will only sell to resellers and distributor approval is subject to review of the geographical area you serve, as well as whether you are currently selling in the automotive industry. While ASP does not have exclusive territories for distributors, we do reserve the right to limit new accounts in a given area.

Once your application has been approved, you will receive a New Distributor packet containing a catalog, distributor price sheet, and suggested retail price sheet.

Until your credit check has been completed, you can process orders using your Visa or MasterCard. Once your Credit Application has been approved, you will receive a Distributor Agreement to sign and you will be set up with Net 30 day terms.

Accounts are required to purchase at least \$5000.00 annually to maintain distributor status. Sales volume will be reviewed annually.

Orders may be placed on ASP Connect (your web portal), emailed to orders@autoserviceproducts.com or faxed to 888-509-5977. After your order has been processed you will receive an e-mailed Order Acknowledgement. Invoices can also be sent via e-mail or fax the same day your order ships. The invoice includes a tracking number, number of packages, and total weight of the shipment. Please make sure to provide your e-mail address for order acknowledgements and mark the appropriate method for receiving invoices on the attached Distributor Application.

All stock items ship within 24 hours. Every effort will be made to ship stock items received by 4:00pm EST the same day. Orders are shipped FOB Burlington, Ky. ASP specializes in drop shipments. All labels and packing slips make no reference to ASP; the shipping label and packing slip shows your return name and address.

Thank you once again for your interest in Automotive Service Products. We look forward to doing business with you!

Sincerely,

Your Automotive Service Products Team
